Expanding the shopping experience at Walmer Park Shopping Centre

A BIGGER, better shopping experience is now available at Walmer Park Shopping Centre, as the Centre has undergone an R80 million expansion and refurbishment which is scheduled to be completed and open tomorrow.

The expansion consists of a further 4 000m² of retail space which is anchored by Dis-Chem Pharmacies with other national retailers, Ackermans, Vida E Caffè, The Scoin Shop, Vision Works, Kodak and Home Etc. Independent stores such as Becca, Ultimate Stylists, George Sorenson, Sass Diva, Don Marco and Sophie Blue have also taken space. The existing Woolworths store has expanded by an additional 500m² and Pick n Pay Clothing by a further 100m².

The on-grade parking and the existing basement parking garage has also been increased in size to provide more for shoppers.

The expansion also boasts an increased basement parking as well as a car wash, Wash-e-Moto, where one can have one's vehicle washed or given a valet while one does one's shopping.

In addition to the expansion, Walmer Park has undergone a major refurbishment of the mall

leading from the Pick n Pay entrance as well as the Entertainment Mall through to the Woolworths mall area.

The refurbishment consists of new contemporary flooring and ceiling finishes, energy-saving lighting and completely new ablution facilities, all of which have been designed to provide a world-class shopping experience.

We are also proud to say that the team that handled the project, namely Moors Milne and Kievit Architects Inc., Rousseau Probert and Elliott Quantity Surveyors and SBT Construction Eastern Cape are all proudly Port Elizabeth, "born and bred" companies.

The other professionals include Clinkscales Maughan-Brown and Arcus Gibb Engineers.

The Management and Owners of Walmer Park Shopping Centre would like to thank all its loyal customers for their patience during any inconvenience that may have been caused during the expansion and refurbishment, but can assure shoppers that the wait is worthwhile and over!

For more information, contact the Walmer Park Centre Management Offices at ☎041 368 2690, during normal office hours.
