

# 2022 External Bursary Applications

GIBB's bursary programme aims at attracting exceptional young talent to the firm. If you have what it takes to become part of this exciting team, the GIBB bursary programme is ready to change your life. Bursaries awarded are for full-time students studying Civil engineering.

## **A GIBB bursary covers:**

- Cost of tuition at any university in South Africa • Books • Travel costs where applicable
- Accommodation where applicable • Vacation employment

**Please attach certified copies of the following documents listed in order to be considered:**

- ID • CV • Matric Certificate • Full tertiary academic record

## **Application Requirements/Instructions:**

- South African citizen with a valid ID Book/ Card.
- Must be studying towards a Civil Engineering Degree, from second year-onwards, Honours or Masters, with specialisation in the following disciplines: Civil Engineering, Rail and Roads.
- University exam results will be used as part of the selection requirements.

## **Contract Obligation:**

- Employment at any GIBB office in South Africa
- Practical training, as required by the university, will be provided where possible during vacations.
- The tenure of the bursary is subject to good academic progress. Should a bursary holder's academic results fall below an average of 60%, the continuance of the bursary may be reviewed.
